

One project in the development partnership

zip.EuroSkill- (plus II)

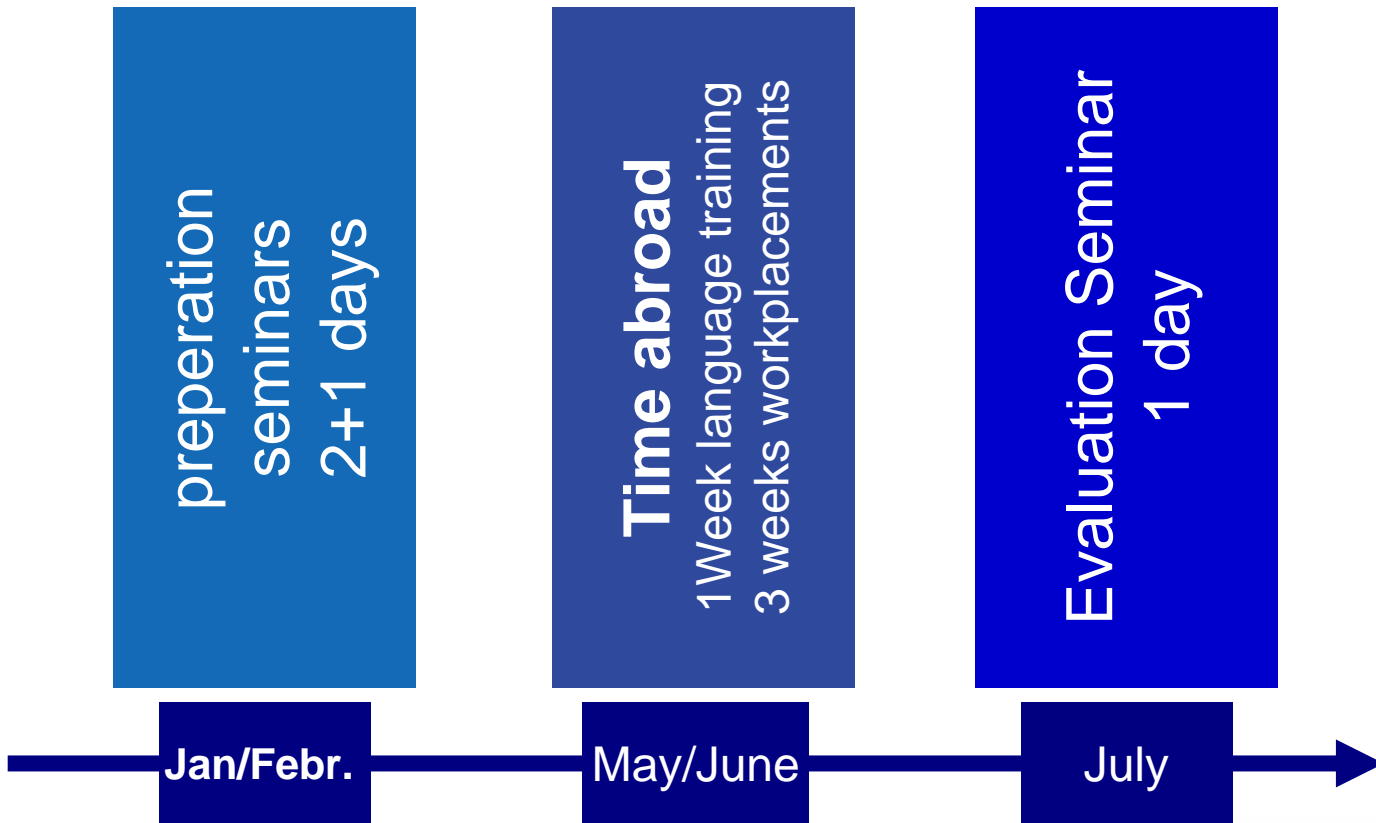

zip.EuroSkill- (plus II)

Two different target groups:

- **apprentices** in the metal- and electronic industry
(zip.EuroSkill-plus II)
- **employees of BBQ Berufliche Bildung gGmbH**
(zip.EuroSkill)

apprentices → **zip.EuroSkill- plus II**

zip.EuroSkill

Employees of BBQ Berufliche Bildung gGmbH

attended a continuing education

over 4 modules

each modul 2 days

to get a EuroSkill-mentor

**accompany and support the intercultural learning
processes of apprentices**

Objectives:

- **Improvement of vocational education and training in the metal- and electronic industry**
- **Enhancement of the knowledge on a technical/professional and on a personal level**
- **To accompany the participants in an intercultural learning process – not at least in a part of the life long learning process**
- **Competitive Advantage for all involved - to be prepared for the European labour market!**
